PARAGLIDING LA PAZ HALF DAY TOUR

Shared Tour

ITINERARY

Seeing the landscape from the heights in the city of La Paz is an exciting and relaxing experience for which you do not need to experience just letting yourself be carried away by the air and enjoy.

The place is located to the south of the city of La Paz called Yanary with 3800 meters above sea level and with 1200 meters of altitude they have a privileged view we can appreciate the Illimani and part of the mountain range as well as the city of La Paz. Trip takes approximately 1 hour from the city center.

The pick-up can be done from the hostels / hotels downtown in the city of La Paz at 06:30 am to get to Yanary where we will prepare the equipment and give the corresponding instructions to start the flight time is 12 to 25 min maximum depending of the weather conditions. After having enjoyed this experience you will have a time to enjoy your snack and then the transport will take you back to the city of La Paz specifically at the Hernando Siles stadium at 1:00 pm from where you can return to your hostel.
